APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of Claim Nos. 256, 257 and 263 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

Permits 60672, 60673, 60674, 60675 and 64136 are limited to the irrigation of 974.475 acres within the proposed place of use.

This permit is issued subject to the State Engineer's Ruling No. 4734.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed sufficient water for the irrigation of 111.185 acres at the decreed duty as set forth in the Carson River Decree.

Work must be prosecuted with reasonable diligence and be completed on or before:

July 1, 2001

Proof of completion of work shall be filed before:
